

TIDES INN FIRST ANNUAL SPRING IN WATER BOAT SHOW RELEASE DATE:
02/28/2008

Press Release

Local boat dealers to host a “Spring in-water boat show” at The Tides Lodge Docks. Currently there are 15 boat dealers around the Middle Chesapeake Bay who have committed to the event. Management from The Tides Inn said “This should be a great event for all parties concerned.” They look forward to providing the venue for this event.

Event Coordinator Randy Stephens from The Tidewater Marine Trades Association, and Pulley’s Marine reflected, “I mentioned this idea to a few fellow dealers in the area, they were all for it and offered to help.” Stephens said they all felt the financial and logistical pressures of doing boat shows in Richmond, Virginia Beach, Hampton, Fredericksburg, and or Chantilly to be a bit much, and impossible to take perspective buyers out for a ride. “We just wanted a simple cost effective way to get folks out on our boats, and compare different models, styles, and manufacturers,” Said Lisa Holcomb of Chesapeake Boat Basin, “and here in our neighborhood.”

The event is scheduled for April 11th, 12th, and 13th 2008 at the docks of the Tides Lodge on Carter’s Creek. Show opens at 2:30 PM on Friday the 11th and closes at dark. Show times Saturday, and Sunday will be from 10:00 AM also until Dark. Food and Beverage service will be provided by The Tides Inn. Shuttle service will also be available so getting to the Tides Inn’s Dinning Facilities will be easy and adventurous.
